

# A/C LINE REPAIR KIT

## An Easy Repair Solution with No Special Tools Required

- 32 pieces; includes SAE and Metric sizes for domestic and import vehicle repairs
- Use line splices to join two aluminum lines or hose splices to join two rubber hoses
- Use hose to line adapters to transition from rubber hose to aluminum line easily
- Use line terminators to block off a rear A/C leak and get the front A/C working again
- Aluminum tubing included for long assembly repairs
- Schrader valves and caps included for quick valve stem leak fixes
- Small tubing cutter for quick and clean on vehicle cutting

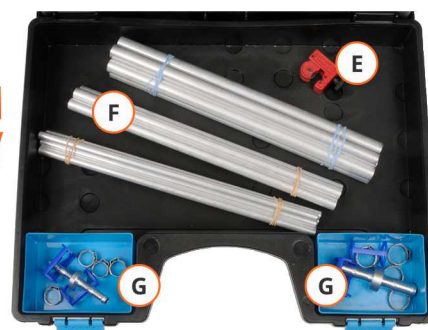

**MTM-801-700      \$379.99**
